To Whom It May Concern:

I am pleased to write a letter of recommendation in support of ASI for the service and security system they provided for Big Brothers Big Sisters of Henry County, Inc.

The service we received was exceptional and all of the ASI staff members were efficient and well-organized. The equipment is very easy to use and trouble-free. ASI gave a thorough demonstration making sure we knew how to use the system and answering all of our concerns. Since the instillation, ASI has not wavered in the excellent service provided.

I highly recommend ASI to care for your security needs.

Sincerely,

Jennifer Fox
