To whom it may concern,

Please use this letter to introduce you to ASI, owned and operated by Ron Anderson. Mr. Anderson replaced our outdated phone system with a state of the art system in 2001. He took into consideration our current needs as well as anticipated our possible needs for the future. His crew worked quickly and with few interruptions to our business.

We continue using ASI for service and would call them should we need to upgrade.

We hope you will give them consideration on all projects you maybe involved.

Thank you.
